

# Capstone Project

## The Battle of Neighborhoods (Week 1)

### Introduction: Events/Holiday/Travel plan details to neighborhoods of Toronto.

The report will provide details of Hotels (for stay), nearby restaurants, places to visit in the vicinity, places for shopping, cafes etc.

This will help any event management firm or a family to plan for a short trip providing them vital information of the neighborhood for their place of visit.

Detailed map will be provided for the same.
